

LITTLE DOTS
Junior Football Coaching

Dear parents,

If your child is currently in Reception, Year 1 or Year 2 and you have an interest in managing a football team for children from under 7's, we have an exciting opportunity for you. Introducing the 'Future Managers Programme' in partnership with Stone Dominoes FC and Little Dots!

The 'Future Managers Programme' is designed to help you develop the skills, confidence, and knowledge necessary to become a successful manager for young footballers. Under the guidance of our Head Coach, Rebecca Spencer, you will receive training and support to create engaging and player-centered sessions that foster skill development among your players.

As part of the programme, we will fund your Disclosure and Barring Service (DBS) check, first aid certification, safeguarding certificate, and Level 1 Certificate in Coaching Football through the FA. Additionally, you will receive a full uniform to ensure you feel like an integral part of the Bee Active team.

In return for these opportunities, we kindly request your time and commitment to volunteering at Little Dots on Saturday mornings from 9:00 to 11:00 throughout the year. We understand the need for flexibility, but we hope you can be present more often than not to provide consistent support to the young players.

If you are interested in joining the 'Future Managers Programme' and taking this exciting step in your child's football journey, please email Rebecca Spencer at rebecca.spencer@beeactive.co.uk to register your interest. We look forward to hearing from you and working together to create a positive and enriching experience for our young players.

Best regards,

Bec, Stone Dominoes FC and Little Dots
